Customer Reviews

This calender is exactly what I was expecting. Images of years gone past that no longer exist.

Reminders of a time when the world was safe and every window held a warm and welcoming light.

The magnificent artwork of Thomas Kinkade is awe inspiring.

The THOMAS KINKADE PAINTER OF LIGHT 2016 DELUXE WALL CALENDAR features 13 paintings by Thomas Kinkade (there's one section for the months of September - December 2015). Each of the paintings featured in some way display the power and brilliance of light. The winter months feature mainly snowy landscapes that illustrate light breaking through the heavy sky. March features beams of light that melt away the heavy skies of winter. July features a cityscape where it's raining, but the sun is beginning to shine. Besides the paintings, each month also includes a Bible verse.

Oh, come on. It's Thomas Kinkade. You either love him, or you hate him. I love him. Wouldn't want my house without a Kinkade calendar SOMEWHERE . Wouldn't send one to someone who might not appreciate it. I noticed that the 2017 Calendar is available in June 2016. If you like Kinkade

Calendars, you might want to check it out with and pre-order for next year.

These calendars are always a delight to look at all year long, and especially now we know the printer will no longer be painting more scenes. The pricing on is more than competitive. I am very happy with my purchase.

I get this calendar every Christmas for my mom, although since Kinkade is gone now, we're wondering if they'll start 'repeating' artwork soon. Even if they do, she really likes this and will probably still want it.

The idyllic settings portrayed each month makes this calendar the perfect one for my home. Sept. thru Dec. for 2015 clearly shown on one page, then 2016 months on their own page. You will love this calendar.

This review is for the Thomas Kinkade Painter of Light 2016 Deluxe Wall Calendar. I was excited when this arrived. The calendar is a good size. The Thomas Kinkade Painter of Light 2016 Deluxe Wall Calendar is absolutely beautiful. Every month has a breath taking picture that just draws you in. I am so happy with this purchase and I look forward to getting his next wall calendar.....

this calendar was so much better in person then the photo shows online, and it was so much bigger then most calendars i have had in the past, i love thomas kinkade, and have wanted some of his work, so after getting this and seeing the pretty photos, decided im going to look for some frames and frame the pictures instead of using this as a calendar, the photos are really great, a good way to add some of thomas kinkade into your home when you can not (like myself) afford his very expensive paintings.
