Customer Reviews

Beautiful journal, wonderful high quality. The inside pages are lined so nicely. I love the 7 by 10 inch size. It is so pretty to look at! the colors just pop. I will be ordering more, for myself as well as gifts. How could I not at this fantastic price and quality? You can use this for just about anything. List making, note taking in school. There are so many beautiful covers to choose from. I love mine!

It is a nice journal. The cover is just as it appears here. It is a larger than average size journal. The only thing I didn't like was the pages have a name at the bottom of each page or her website or something. I gave it as a gift so I can't look back at it but I remember being surprised it was on each page.

Love this journal. Suer cute and user friendly. Can be used as a regular or visual journal.

Love this journal and the inspirational saying. It is very motivating.

Its beautifully made, thin, flexible, and soft. All the pages are lined like a notebook. The quote on the cover is at the top of every page, its a lovely reminder!! I will be buying more!!

I love this journal. would have been 5 stars if it was spiral bound.. I took it to my local copy place to have that done. now it's perfect!

Not what I expected. It seems like a regular notebook. Only loved the cover, the rest was really disappointing.

Journal came in on time and is perfect! A good size and the width to write is wide.
