The Big Book Of Santa

Synopsis

This keepsake collection of Mary Engelbreit's favorite Santa illustrations will delight friends and family for many Christmases to come. Mary Engelbreit knows that many of our dearest childhood memories are linked to Christmastime. Now, those memories, illustrated by one of America's favorite artists, are gathered in this Big Book of Santa. This special edition contains Mary's favorite Santa works of art. You don't have to be a child to appreciate the magic of Christmas. By recalling the joy and innocence of children, the excitement and activity of the preparations, and the true meaning of the season, Mary Engelbreit's art captures that we all hold dear.
