The Gather music and the Gaither groups are so wonderful to see and hear. Bill and Gloria Gaither have written some of the most beautiful and unforgettable gospel music that has ever been written. I am so thankful for their writing and music and hope they keep up the great presentations of gospel music on DVD and on TV. Ever time I hear their music and songs I receive a beautiful message and realize that God has given them the talent to do this.... what a blessing they are !!!!!!!!!!!

This book contains many of the favorites written by Bill and Gloria and wonderful arrangements for piano, accordion, guitar. I have been playing them on my accordion along with a friend on trumpet and a guitar - they sound wonderful!

The songs themselves are very pretty but the way the book is not spiral bound is very hard to use and the songs are somewhat hard to play. I thought it was more a book that was easier to play.

Some of my favorite Gaither songs written well for piano solo. Sound like the Gaither songs you know and love, but playable as well. Good book.

Great collection of favorites!

I enjoy the Gathers and found the resource a valuable aid in referencing Gather music especially some of their better known songs

I am very happy with my purchase! Now I can learn the words to my favorite songs. I love the Gaithers!

Wonderful!!!
