## Customer Reviews

I like this book. It differs from other books such that the author brilliantly included frequently asked questions about the ketogenic diet. It defined all necessary basic items to understand what ketogenic diet is. The author also included all the tools he uses in his keto kitchen. So basically, ideas mentioned here are first hand experience of the author. Plus, it provided a lot of recipes which will add up to my wide range of choices.

This book has a TON of value for the price! You get 250 recipes and an overview on the ketogenic diet! Low carb diets, whether Atkins or ketogenic, have proven to be the most effective diets. This book is an awesome start, and definitely give all the key info that you need to start the diet! The recipes are delicious, the price is unbeatable, and the weight just melts right off! 5 stars!!

Eating healthy food and the right kind of calories will set your metabolism in fat-burning mode. The Ketogenic Diet consists of high amounts of fat, some proteins and minimal carbohydrates. I appreciate this Ketogenic Diet: 250+ Low-Carb, High-Fat Healthy Keto Recipes & Desserts...book because it has made me understand more about the Ketogenic diet. It has opened my eyes that this could be the diet for me.

Lots of great and very healthy recipes for getting back your health! These recipes are perfect for someone starting their ketogenic diet or even someone experienced just wanting new recipes and great information. Great recipes easy to make and well described to be able to understand even for someone who does not cook very often! Remarkable

Ketogenic diet is good for losing weight. I learned benefits of ketogenic diet. I get knowledge of different types of this diet. Ketogenic diet is effective in losing weight, increase ketones, increase protein intake and reduce calories. This book let me know how to start diet plan. There is list of foods to avoid while following this diet. This book is easy to understand. I highly recommend this guide.

This Ketogenic Diet cookbook is almost everything you've ever hoped for. The book is very elaborate and gives the exact feeling of a recipe even before you try it out in the kitchen. The writing is made simple and exact so that the readers would actually try out the recipes without the need to go over on things that are tedious and long. Like any other ketogenic diet cookbooks, this book contains unique recipes that are very easily to follow but are quite exquisite to experience in the

kitchen. It's always awesome to try new things; but cooking ketogenically is not new to me. However, this book has made a way to become interesting to its readers therefore it is not like you average ketogenic diet cookbook! Try it and see for yourself.

This book is perfect for those who wants to lose weight without any efforts to make. Jus fallow the tips here and the right food should eat to avoid disease can occur to you. The book will help you what you should do to gain weight lose and live with healthier with this Ketogenic diet. And it also have 250 delicious recipes that can help you to lose weight. Highly recommended!

The book does exactly what it says; explains the Ketogenic diet and how to implement it into your life, and gives you a TON of recipes (some very interesting ones)!!! I'd recommend this book to anyone switching to the Ketogenic diet for the first time, or just wants some really good tasty recipes, like the flourless chocolate cake â “ yummy!
