Customer Reviews

Great art work & nice and simple calendar. The paper isn't exactly high quality but the prints are good enough and I love Charley Harper, plus the price was very reasonable. I'm happy with the purchase.

I've purchased Charley's calendars for years and always buy extras for holiday gifts. The color adds pop and you can frame the pics for an inexpensive addition to your wall decor. pricing is always lower than local retail stores. Will continue to buy yearly!

The artwork is cute and there are big squares on the calendar for writing plans, etc . The paper is a little thin and lack a little bit of shine that some more expensive calendars have, so if you were planning on re-framing the art after you are done using the calendar, I wouldn't plan on writing on it.

It was a great gift for my wife, and we love his artwork and style. had this significantly cheaper than

the artist's own e-commerce website, and offered free shipping, which was a plus.

Beautiful and well made, just be sure to note, although this opens like a wall calendar, it is quite small, about 7 inches square when closed. Wish this was at least twice the size.

This is a pretty calendar. I have it hanging at work and I often get comments on the art. It's nice to have some of Charley Harper's beautiful work at my desk.

What's to say, it's a Charley Harper! Great looking addition to my kitchen wall and over my desk even if I don't write much on them. I get one every year.

I love Charley Harper, and this calendar is the right size and has Harper's wonderful art. The calendar arrived quickly and in perfect condition.
