Customer Reviews

I am a little biased when it comes to anything Charlie Perry wrote. He was my teacher, mentor and friend! He was also considered to be the best drum instructor by his students and his peers. I highly recommend this book to anyone interested in learning the basic concepts of Jazz Drumming.

Writing inside book with pen. No indication it would be like that. Preview said nothing about it. Book is in good shape except for that.

Good basic starting point. What more can I say? Not much, but this thing wanted sixteen more words! Fifteen, sixteen!!
