## Customer Reviews

Oh that cover! It's so bright and cheery and cute and I'm sure you noticed that UNICORN (!!!) on the cover! I love unicorns! The Unicorn Coloring Book is full of unicorns, hearts, stars, rainbows, happy clouds and suns, cupcakes, and flowers for you to color. There's even a narwhale! Narwhales are pretty awesome too, they are the unicorns of the sea. Each double-page spread (17 in all) features a quote on the left page and a coloring page on the right. Some of the coloring pages also feature a word or phrase to color in, too. The title page (a modified version of the cover) can be colored as well. I used my Stabilo Point 68 15-Color Wallet Set to color everything but the unicorn! I used Crayola colored pencils for the unicorn. The Stabilo colors look so vibrant and yummy! There is shadowing on the reverse side but no bleed through! Not a major concern since just a quote appears on the reverse side. Now, I don't mean to come across as dismissive when I say it's just a quote. It's just that some colorists may regard the unicorn coloring pages as single-sided since no art appears on the reverse side! This means they are free to use whatever

art supplies they want without having to worry about shadowing or bleed-through. But back to the quotes â ” I love them! The quotes that Jessie hand-picked to pair with each coloring page are brilliant and magical. The quotes are about unicorns, magic, identity, dreams, and the beauty of life. I have flicked through this book repeatedly just to ruminate on the quotes (and of course to admire the sweet art.
