Customer Reviews

Nice calendar, arrived bent. Not as thick as other Gary Patterson's Wall Calendars. They use to be a lot thicker. This one is more "paper" thin. I'll use it because I already bought it, but I would not buy again and would not recommend.

I get one of Gary Patterson's cat calendars every year. I've never ordered one I didn't like and this year's calendar is no exception!! Wonderful cartoon cat humor and of course each month's illustration has a mouse lurking in it somewhere.

This is a really neat, fun calendar! It has cartoon like pictures depicting SO typical cat-like behaviors for each month and good sized date boxes with room to jot down important reminders for that day. The calendar also shows USA public holidays, as well as some important international dates. It is a very cute but practical calendar. My only "complaints" are that the quality of the paper used for the calendar could be a little thicker, and the holes for hanging on a wall hook could be bigger. A fun little note - each month's picture has a little mouse hidden in it, so it is fun to "find the mouse" - just a nice little touch :) I have found this calendar to be both cheerful and very useful and will be looking out for similar for next year!

Have been getting Gary Patterson cat calendars for at least the past five years. They are funny and I look forward to flipping the page at the end of the month. Yes----I love cats----and therefore, adore this artist!

I buy these calendars every year and love finding the mouse in the picture.

Bought it for my mom because she gets Gary Patterson's cat calendar every year. She usually buys them at Walmart but couldn't find one anywhere this year. It costs more here than in the store but my mom loves them. Thanks!

My wife and I love Gary Patterson and are delighted with this calendar. If you like him, you will like this. Calendar section takes up whole page with big boxes so is very easy to write in appointments.

I usually order 2 of these wall calendars a year so that I can have them in strategic places in my house. I write all my appointments on them so that I can see them as I go out the door to my car for example.
