Customer Reviews

Grumpy Cat fan delighted with this high quality calendar. Typically great Chronicle Books production. Well-done images, great layout design, and large bold numbers. Very good paper stock. Looking forward to seeing Grumpy every day. (Grumpy visited Macy's here over the holidays, and she/he is so ADORABLE! True to form, Grumpy was calm and collected. Like in, not impressed!)

What's not to love? I LOVE Grumpy!! I love the calendar, too. Aside from the great pictures and sayings of Grumpy, I really appreciate that each month's numbers are large enough and in bold black colors making them easily seen from a distance. That is a big help for seniors who have poorer eyesight.

This calendar is great for Grumpy Cat fans and the price is pretty cheap compared to other calendars that have cars on them. The pictures are high quality and look great. Also, the date squares are big to fit in a lot of important information. I recommend this product to everyone

This is very cool. And cute and very funny. It starts in September with the last 4 months of the year

together.

I'll admit a bit of a quandary with this product. It makes me happy, but I doubt that Grumpy Cat would approve of such a reaction. Maybe I should be miserable instead? Either way, this product brings joy and laughter to all who see it. Grumpy Cat probably hates that, though...

Grumpy cat lovers must have this calendar!! I have one on the wall by my bathroom sink and it helps me start each day with a laugh as well as giving me a view of activities coming up. The photos are very nice and the stock is nice and heavy. Cat lovers can't go wrong with this calendar to help keep their year organized.

I have a 2014 calendar and as soon as I found out Grump 2015 was printed I snapped it up. Tardar Sauce is my alter ego...the things she "says" on the calendar are things I wish I could say to people sometimes. I have this calendar at work so when my coworkers are being annoying I can just look at her dour face and think, "Have a heart...attack" or something else diabolical. Bwahahaha...

I bought two of these calendars as prizes for our animal welfare group's annual Christmas party. They were a big hit and the people who won them were very pleased. I wish I had bought myself one as well!
