## Customer Reviews

I love the music and listen to the cd of this often. This book lived up to the great music on the cd and is fun to play but just enough of a challenge to make it interesting!

Great music by one of the greatest musicians of all time. All the music for all the songs on the CD...written just the way they are played.

Excellent songbook for piano! As you play through the songs, it sounds as if the cd is being played. Very true to the original sound of the songs!

The item I purchased was exactly what I wanted. I would encourage other piano soloists to purchase this adaptation of Michael W. Smith's - Glory

nice presentation.. book came promptly after I ordered it , I am enjoying playing these adaptations ..

book is as described

Michael W. Smith has such a talent, and I wanted to experience his own music in solo piano. It is so nice. Very soothing pieces.

It was the closest to the actual music Michael plays and I wish there were more piano books out there like this one. Love it!
