Adult Coloring Books: Mindfulness Mandalas: A Mandala Coloring Book For Adult Relaxation Featuring Stress Relieving Coloring Pages For Adults Including Henna Flowers Geometric & Animal Designs

Synopsis

Inky Balm Designs presents "Mindfulness Mandalas", a mandala coloring book for adult relaxation, including stress relieving patterns featuring: 36 tranquil, stress relief coloring pages for grown-ups incorporating henna flowers, geometric shapes, tribal designs, and animal motifs. A range of designs from simple to more detailed and intricate, suitable for beginners and experienced colourists. Each design is on a separate sheet and best used with colored pencils, markers, and fine tipped pens. Get many hours of inexpensive, focused relaxation, and fun. Rediscover the art of coloring and harness the power of color therapy to calm and unleash your creative spirit.

Customer Reviews

This coloring book has a good selection of both mandala and mandala inspired coloring designs.

The designs are curated by Inky Balm and are licensed through shutterstock.com. This provides a colorist with the opportunity of buying a single book with a number of artists work included.

Otherwise, you might have to buy a number of books to get such a diverse offering. I like that there are both mandalas and other designs in this book. Usually mandala books are mandalas only but by including both, it makes it a great way to get started with coloring at a good price and with a good selection of styles and types of designs. I especially liked coloring the cute little frog with his mandala tummy. Some of the designs include intricate details but for the most part the designs are fairly open and should be easy to color without resorting to especially sharp pencils or tiny nib pens.

and markers. All of the designs stop well before the binding, are centered well on the page, and the print quality is very good. The designs are printed on one side of thin white non-perforated paper that is typical for books published by CreateSpace. The binding is glued but there is plenty of room for you to cut a page out if you choose to do so. I was able to get the book to lay fairly flat in the open position by â œbreakingâ • the spine slightly. All of my markers bleed through and my gel pens and India ink artist pens either bleed through or leave a distinct shadow on the back of the page. My coloring pencils work well with the paper though the hard lead pencils do leave an indent at the back of the page. I will use a piece of chipboard or heavy paper behind the page I am working on so I don't ruin the following page with leaking ink.
