How To Print Fabric: Kitchen-table Techniques For Over 20 Hand-printed Home Accessories

Synopsis

Learn how simple hand printing techniques can transform your fabric into personalized designs with this easy fabric printing guide from talented textile designer Zeena Shah. In this beautiful yet practical project book, Zeena shows you how to create contemporary textiles through 20 easy-to-master techniques, each accompanied by a simple sewing project to put your prints on display straight away. Using easily accessible materials as diverse as vegetables, sponges, cardboard, rubber stamps, wood blocks, lino and simple silk screens, Zeena shows you how to create striking printed designs and then how to sew covetable items such as bags, table linen, cushions and pillows and more, to personalize your home interior with DIY style. Debut book from rising star Zeena Shah, whose striking designer textiles have earned her numerous TV, event and press appearances and over 300,000 Pinterest followers.

Customer Reviews

I love this book and I am having so much fun learning each technique and making adorable pieces! Thanks! Hope she writes another book with fun projects!

This book has really easy to follow steps which are suitable for complete beginners and those with previous knowledge and need a little refresher. Zeena provides great info about the types of mediums you can use and everything is so accessible and most items used in the printing process can be found in your home. The photography in the book is so beautiful and all the sewing projects

are all very tasteful and modern.I will be buying this book for all my friends as Christmas gifts!
