It's a beautiful Bible and the illustrations are great. You have to figure out the best media (i.e. markers, colored pencils) to use as there is some shadowing/bleeding through the pages. Text is a bit small but I don't plan to use it as a study Bible more as a "worship" through coloring Bible. I would recommend this to a friend or family member. There are lined sections on the outer edges for notes and the images to color are crisp.

Such a beautiful Bible. There are several full page illustrations, as well as in the margins. Some of

the illustrations have very small pieces to them. I would think colored pencils would be best for coloring in this Bible.

Another coloring bible. This one is beautiful. I wish I could post pictures. I love this more than the pictures in the other two coloring Bibles I have.

Finally an NIV coloring Bible! Love it!

Absolutely love this bible! The pages are fantastic and great for someone who's looking into getting into bible journaling!
