Draw 500 Fabulous Fashions: A Sketchbook For Artists, Designers, And Doodlers

Synopsis

A new fun format for Quarry's best-selling *20 Ways to Draw a Dress and 44 Other Fabulous Fashions and Accessories*, this cute chunky volume features 500 inspirational illustrations in a perfect small size for drawing on the go! From dresses, gloves, and sunglasses to flats, belts, and swimsuits, *Draw 500 Fabulous Fashions* is perfect for illustrators, cartoonists, doodlers, and anyone who loves to sketch. This is not a step-by-step technique book--rather, the fashions in this volume are simplified, modernized and reduced to the most basic elements, offering simple abstract shapes and forms that meld to create the building blocks of any item (man-made or organic) that you want to draw. This all-in-one pocket-sized sketchbook lets you draw right on the pages making it easy to keep all of your most inspired creations at hand.

Customer Reviews

This is just a cheaper way for the publisher to reprint *20 Ways to Draw a Dress* --- less paper, no organization, and really not as useful. I didn't see that this was a re-edition of *20...Dress*, because it was hidden inside "read more" so I bought both ... and now I have the *20* book, which is organized by category, and has plenty of space to draw, and this little book, which has no organization, and hardly any space to draw at all. A waste of money ... go for the *20...Dresses* book while you can, or go for one of the pads with just body shapes, and draw your own styles. Leave this one for the remainder shelves.

This is a super cute little book that feels wonderful to hold. I am the type of person who cares about the way a book feels as much as the content. The paper is heavy and the book feels chunky. The illustrations in this book are just darling! (They are a selection from the book 20 Ways to Draw a Dress) a big version with lots of drawing room. This one is like a little sketch book you can take on the go and doodle and draw in and around the illustrations on each page.

I thought this was going to be a book about HOW to draw, or an approach to drawing. Instead, it was just a collection of other people's doodles....cute to look at, but that's about it.
