Researching Dance: Evolving Modes Of Inquiry

Synopsis

In *Researching Dance*, an introduction to research methods in dance addressed primarily to graduate students, the editors explore dance as evolutionary, defining it in view of its intrinsic participatory values, its developmental aspects, and its purposes from art to ritual, and they examine the role of theory in research. The editors have also included essays by nine dancer-scholars who examine qualitative and quantitative inquiry and delineate the most common approaches for investigating dance, raising concerns about philosophy and aesthetics, historical scholarship, movement analysis, sexual and gender identification, cultural diversity, and the resources available to students. The writers have included study questions, research exercises, and suggested readings to facilitate the book's use as a classroom text.

Book Information

Paperback: 384 pages

Publisher: University of Pittsburgh Press; 1 edition (April 15, 1999)

Language: English

ISBN-10: 0822956845

ISBN-13: 978-0822956846

Product Dimensions: 6 x 1.2 x 9 inches

Shipping Weight: 2.1 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)
