# A Magical Journal For Horse Lovers: A Coloring Journal

## Synopsis

A perfect journal for horse lovers. Each page includes beautiful hand drawings of line art for horses which you can color or doodle on. The opposite page has some intricate design or a small inspiring image of a horse and space for you to jot down notes, thoughts, doodle, scribble or design patterns and be creative. This is designed to inspire you to whatever you want to do while enjoy the beauty of your favorite creatures.

## Customer Reviews

Absolutely love this. Paper quality is great for colored pencils. There is plenty of space on each page to write down notes or draw. I am choosing to use it to write different horse quotes in the blank space. I cannot wait to start filling it in with all of my favorite quotes related to horses. I have the artists addition, the first one and the second one as well. I love all of them!!!

I was ecstatic to receive the book today, and then disappointed. I have been waiting for a high quality coloring book for horses to arrive for years! The photos are great, however I don't know if the printer messed up or if it is the way it was drawn. But there are a lot of photos that are funky with the scale. They just don't fit the page. Some photos are too small and others way too big and entire half of a horse is missing, a lot of horses are cut off at the knees, or just weirdly placed off center of the page. The book would benefit to be bigger so that the scale of the photos could be better and to allow more room for you enjoy the designs.

Several pages are repeats, but frankly I kind of love that idea so I can color that image differently again. Tons of pages, lots of room to doodle, so many beautiful horses.

It's great! I already finished two pages! The designs are anatomically correct, and so intricate.

Wasn't expecting it to be like an actual journal but it has very pretty pictures to color.

Got this for my granddaughter who loves horses. She likes this coloring book.

I love horses and this magical journal for horse lovers is perfect.

great coloring book, many pages to color
