# Venice Coloring Book For Adults: Relax And Color Famous Landmarks From The Romantic City Of Venice, Italy (Arts On Coloring Books) (Volume 5)

## Synopsis

Check before you buy: see a free extensive preview of this book here: <http://bit.ly/24Ug331> (copy and paste in your browser). **• Venice Coloring Book for Adults** is an original coloring book for adults and smart children. Relax, grab your pencils and color famous landmarks from the romantic city of Venice, Italy. Travel coloring book Featuring beautiful detailed sketches of landmarks from Venice, such as the San Marco square, the Rialto bridge and the church of Santa Maria della Salute, this book is designed to help you unwind, relax and to stimulate your creativity. The designs are printed on one side of the page to reduce bleed through. The drawings are intricate and challenging, suitable for advanced colorists. **Venice Coloring Book for Adults** is the 5th title in the series **Arts ON Coloring Books**, dedicated to coloring books for adults, following the popular **Anti-Stress Patterns Inspirational Abstract Designs to Calm and Relax**, **Color me Smart brain puzzles coloring book**, **Beautiful Flowers Detailed Floral Designs Coloring Book** and **Yoga and meditation coloring book for adults**. Inspiring, challenging and relaxing this adult coloring book is an effective way to have fun and escape the daily routine by taking an imaginary trip to Venice, Italy. Free your creative side and bring color in your life with this exciting new coloring book!

## Customer Reviews

I received this adult coloring book as a free digital download. Since my copy was a digital download I am not able to really say how the paper copy would rank. The author explains why the images are

arranged the way they are but since I was able to print the images off on whatever type of paper and how ever I wanted to the explanation of the layout did not affect me. I am curious on how the paper copy will affect the coloring experience and look. The art work in this coloring book is amazing. The pictures may be a little difficult to color for some people. The pictures take time and patience but in the end you get a wonderful image that you could even frame and place on display. I really love how the author of the book gave some helpful hints about the colors you decide to use in the images, she explains how certain colors can make you feel. Overall I was pleased with the coloring book.

I've never been to Venice, but there's PBS and friend's trips on Facebook. The pictures and detailing are simply gorgeous! I haven't begun to color them, but am enjoying them immensely. Thank you LibraryThing Giveaways!

These images will having you hearing Italian music in your mind as you color them. As you are coloring these pictures, you are transported to Venice, Italy in your mind and forget everything else. They give you a little look at many of the things we associate with Venice; the gondolas, the canals, the buildings, etc. The images range from somewhat simple to more intricate. I really recommend this book for anyone wanting to get rid of some stress and take a vacation without ever leaving your house. I received this book in exchange for an honest review.

I love adult coloring books but for me, this one was too 'detailed'. Some might find this relaxing but for me it was not. Of course, personal opinions may vary so if you love Venice you might just love this book. I received this e-book in a giveaway on Goodreads.
