Star Wars Instrumental Solos For Strings (Movies I-VI): Viola, Book & CD (Pop Instrumental Solo Series)

Synopsis

For the first time, Star Wars(R) A Musical Journey (Music from Episodes I-VI): Instrumental Solos includes selections from all six Star Wars(R) movies arranged for flute, clarinet, alto sax, tenor sax, trumpet, horn in F, trombone, piano accompaniment, violin, viola and cello. The arrangements are completely compatible with each other and can be played together or as solos. Due to level considerations regarding keys and instrument ranges, the wind instrument arrangements are not compatible with the string instrument arrangements in this series. Each book contains a carefully edited part that is appropriate for the Level 2--3 player and a fully orchestrated accompaniment CD. Each song on the CD includes a demo track, which features a live instrumental performance, followed by the play-along track itself. Also included is 4-color art as well as black and white art from the movies. Titles: Star Wars (Main Theme) * Jar Jar's Introduction * Augie's Great Municipal Band * Qui-Gon's Funeral * Duel of the Fates * Anakin's Theme * The Flag Parade * Across the Stars * The Arena * The Meadow Picnic * Battle of the Heroes * Cantina Band * The Throne Room * The Imperial March * May the Force Be with You * Princess Leia's Theme. This title is available in SmartMusic.

Customer Reviews

My son is playing much better because he knows the music already. It allows him to already know if he's playing the wrong note. I love the classic music , however I feel a kid can still learn when you give them music they can relate to best. This was the best idea mom has ever had! The music

teacher is more impressed by his musical growth.

Purchased for a beginning middle school viola player. He loves it. It is just enough challenge for him to spark his interest but not too difficult. It gets him very interested in practicing viola daily. In fact, he and a friend are using this music to compete in the school talent show.

This item made the perfect gift! I love that it comes with a CD so you can listen along if you are not as experienced in reading music. The book arrived in excellent condition and looked like I purchased it from a high end music store. The ETA was over a month after I purchased it however it arrived less than a week later - so don't be too worried if the same thing happens to you!

My grandson for whom the book was bought spent hours over the holidays playing the music from this book. He was delighted to have it.

It was wonderful to find music for violas and not be "auto corrected" to violin. This is great for violas wanting something new to play at home. Great for star wars fans and music lovers alike.
