## Customer Reviews

Have not used this book yet, for I am still in book 1. I am sure I will love it --the Suzuki method is my preferred choice of learning from and also recommended by teachers

Great book for learning viola. This is the book that my son's viola teacher and his school use. The Suzuki method is an excellent way to learn any instrument.

The Suzuki Viola School series is recommended by a private viola teacher of my 10-year old daughter, who is on her 2nd year of viola practice.

This is a great book for beginner strings students, so that they can learn and advance at a fast pace. I am happy with my purchase.

Required by my daughter's teacher. Nice songs and she seems to be doing well with it. Price lower than in the local store.

Great item; shipped on time for Christmas; no complaints; received item as described.

Very good book for intermediate Viola students. Good selection of pieces.
