## Customer Reviews

I have been a blog follower of Leah Day's for quite some time, and her style of design is exceptional - clean, unpretentious, elegant and DOABLE. My practice "sandwiches" for each of the designs will become a nice fun quilt for myself. Lots of good tips and a HUGE selection of designs. HUGE.

Great book to help come up with ideas for machine quilting. I had read that the first edition was great. This second edition is wonderful!

Awesome..now I slowly look thru the book and then I go online to see the video on how to do it.. Thank you Leah for such great ideas.

Pictures very clear Tips very helpful Was supposed to be spiral bound, but it is not. It does, however lay flat enough.
