Vogue Colors A To Z: A Fashion Coloring Book

Synopsis

In this first-ever coloring book from American Vogue, you are invited into a world of fashion fantasy. Twenty-six archival magazine covers from 1912 to 1932, by ten celebrated illustrators living here and abroad, take you back to a more playful and whimsical moment of boas, bows, hats and headpieces, fans, pearls and gloves, and even exotic animals. Coloring book fans of all ages can try their hand at the Art Deco patterns and letters from A to Z and the lively drawings of women dressed for the task at hand, whether it is driving their own car, pruning morning glories in the garden, feeding a dragon, steering a gondola, sitting on a crescent moon, perched on a peacock or riding a zebra "side-saddle, of course. This is the Vogue woman as liberated, stylish, and always dressed for adventure. At the back, don't miss the twenty-six Vogue covers in their original colors with lively captions as well as a stunning six-page gatefold of twenty-one glamorous dresses from 1912 to 1932 to color, tear out, and display.

Book Information

Paperback: 64 pages

Publisher: Knopf; Clr Csm edition (April 5, 2016)

Language: English

ISBN-10: 0451493826

ISBN-13: 978-0451493828

Product Dimensions: 10.2 x 0.4 x 11 inches

Customer Reviews

At the time that I write this review, there two different Vogue coloring books that have just been released. The other one is based on British Vogue and this book is based on American Vogue magazine. They are quite different in time period, style, and print. There are 26 designs based on magazine covers from 1912 to 1932. Each one is associated with a letter of the alphabet. For example, the first one I chose to color (using Prismacolor Premier Soft Core pencils) is of a young woman pushing a wheelbarrow of flowers on a windy day. The magazine is from June 15, 1915,

and the editors of this book associated the design with W for wheelbarrow. The design is on the front of the back and the letter and stylized illustration (plus W is for wheelbarrow) is on the back of the page. In addition to the 26 designs, there are coloring opportunities on the fold out flaps of the front and back cover. Better still is a lovely four page fold-out at the back of the book which is printed front and back with a design from each of the years between 1912 and 1932. All of the designs include some small details that may be a bit difficult to color. The artwork appears to have been sketched but the lines are a tad squiggly and there are disconnects that make it more difficult to color. I also noted that the title and other print on the designs have been done with a weird wiggly typeface. I think that the point is to make the design appear vintage but, in many cases, it merely makes it look a little odd. This issue would not keep me from buying the book as I really love the designs otherwise but it certainly impacts my enjoyment of it. If I could place a rating of 4.5 on this book, I would do so; however, as I cannot, I always round up to the next highest star.
