Customer Reviews

Used to spend a lot of money for guitar lessons and it took the teacher probably 3 or 4 lessons to teach just one song. This book has many songs I like plus the CD. A great bargain for guitar players who want to learn by themselves. I played 2 of the songs from the book at a party and it was well received with positive compliments. Thanks to this book, it was fun.

These series of play along CD's are always fantastic and this one keeps it going
